WILLIAMSTOWN

A lady, who has been in China for several years and has returned to this country, will give an illustrated lecture on the work in that country in the M. E. church this (Thursday) evening. The views shown will be of much interest as showing the manners and customs of the Chinese people. A collection will be taken. The public are invited.

The "Bachelor Girls" are to give a social dance in grange hall on Friday evening, with music by Simons' orchestra. Bill, 50 cents.

Mrs. Laura S. Ditty, who has been for some time in Canada, N. H., is now visiting her son, Windsor G. Ditty.

Memorial day notes: In spite of the threatening weather of the morning hours, the attendance was large and enthusiastic. The march to the village cemetery was well conducted by Marshal Percy Jeffords and the return made in time for the dinner served by the W. R. C. in grange hall. The band was efficiently aided by Arthur Carroll, cornetist, and Kenneth Gale, baritone, of Barre.

Judge Wilson's address was not at all of the spread-eagle type, but was a plain statement of facts regarding conditions that led up to the entrance of this nation into the war and suggestions as to what should be done to bring it to a speedy and successful termination. The veterans of the Civil war were not forgotten either. Special interest centered around the campaign for members for the Red Cross and the audience in the hall were privileged to listen to a brief statement of the aim and work of the society by Mr. Slocum of Burlington, who motored from that city for this purpose.

at the invitation of Mrs. A. A. Cross, who with Mrs. Musette H. Seaver, is in charge of the campaign in this town. Their efforts were ably seconded by Mrs. Frank A. Downs, Mrs. L. O. Morgan, Mrs. G. F. McAllister and Mrs. W. J. Simons, with the gratifying result that over 120 names of members were secured and the work is still going on. It will be impossible for these ladies to call on all that wish to join and names and subscriptions may be left at either the Downs or McAllister stores. Let everyone help. A mixed quartet, composed of Richard Jeffords, Mrs. Leon McAllister, Miss Edith Goodrich and George H. Goodrich and led by the last named, sang selections at the cemetery and in the hall. The orchestra also aided in the music given in the hall. Among those who came from out of town to attend the exercises of the day we noticed Judge and Mrs. Frank Martin, Mr. and Mrs. Greason and Mrs. Mary Greason, William J. Young and Mrs. Lucia Sibley, all of Barre; Mrs. Kanaly and daughters, Doris and Margaret, of Montpelier and others from Brookfield and Randolph.

The selectmen will meet at the office of the town clerk on Friday afternoon, June 1, to pay bills.

Regular meeting of I. O. O. F. Friday evening, June 1. A general attendance is requested; all visiting brothers cordially welcome.

WAITSFIELD

Memorial Day Exercises Attended By Many Visitors.

Memorial day exercises were well attended, people being present from Warren, Moretown and Fayston. The speaker of the day was Rev. Arthur W. Hewitt of Plainfield. Waitsfield cornet band was in attendance and Chairman D. R. Bisbee announced the program. The veterans, sons of veterans, escorted by the band, marched from library hall to the high school auditorium, where the following program was given: Music; band; prayer; Rev. L. Mellor; Logan's order for the observance of the day; Miss Alice Bisbee; "Your Flag and My Flag," south school; music; band; song and drill; "Cover Them Over," village grades 4, 5 and 6; "Lincoln's Gettysburg Address," Edward Foley; "Patriots All," north school; "Memorial Day Vision," Alice Bisbee; music; band; address by Rev. Arthur W. Hewitt; "America," audience; music; band. Thirteen veterans of Ainsworth post, No. 36, G. A. R., were present. Much credit is due the school children for the evergreen wreaths they made to decorate the graves, as there was a scarcity of flowers, owing to the lateness of the season. At the close of the exercises, Waitsfield town and high school band teams held a game on the school campus. The score of 11 to 1 stood in favor of the town team.

North Barre sent a small contingent of its young manhood to Fort Ethan Allen this morning, when three young men, Paul Mowall, Louis Cook and Frank Wilford left the city for the purpose of enlisting in the 1st Vermont regiment.

They hope to be assigned to C company, which has been recruited largely from Barre since the Headquarters company obtained its quota of men. The candidates expected to undergo the physical examination this afternoon.

For the first time this spring Camp Downing in Perkinsville was occupied yesterday by a party of local sportsmen, among them being several members of the Vermont Tel. & Tel. Co.'s service crew. The party found everything intact, although the exterior of the camp looked as though it had barely survived a rough winter. The telephone men held a flag-raising and then planted several bushels of potatoes. In reconnoitering through the wooded country to the east of the camp the men found many snowbanks and noted that streams are still running back full.

The patriotic rally planned a fortnight ago by the Cobble Hill grange is to be held Friday evening, according to arrangements completed to-day, in announcing which the committee extends an invitation to the public to attend. There will be a flag raising and the speechmaking and other features of the gathering will tend to stimulate interest in agricultural production and the conservation of food. Rev. Fraser Metzger of Randolph and Supt. G. J. Seager of the Barre Town schools will speak and music is to be furnished by the Christopher Columbus band. All Cobble Hill is planning to turn out for the rally and visitors from the city and elsewhere will be warmly welcomed if they elect to add their enthusiasm to the occasion.

An unruly Finn who is said to have caused something of a commotion in Williamstown last yesterday by manifesting signs of a mental disorder was brought to Barre in the night by Deputy Sheriff Norman Pratt and lodged at police headquarters. The man gave the local officers no occasion for worry and this morning, after a consultation, it was decided to transfer him to the sanatorium in Pittsford, as had been contemplated a few days ago. It was stated that the Finn had developed symptoms of incipient tuberculosis and on the recommendation of physicians in Williamstown he had planned to go to Pittsford. Deputy Pratt accompanied him to the state sanatorium this forenoon.

Efforts to fix the responsibility for the destruction of the toolhouse at Maplewood cemetery a few days ago have not been successful thus far, although the directors of the Maplewood Cemetery association are continuing their investigation. Apparently the building was fired early in the afternoon. Mrs. W. P. Mortimer, whose home is not far from the cemetery, saw a man hanging around the cemetery house soon after noon. She was busy about her household duties and some time later when she chanced to glance toward the cemetery the building was in flames. She spread the alarm, but the fire had gained such headway as to preclude the possibility of extinguishing it, even had there been an adequate supply of water at hand. The building contained tools and other cemetery equipment and was insured.

Reports to-day from the bedside of Al. L. Tharp, the New York City letter carrier and vice-president of the national association, who was taken seriously ill yesterday, indicated that his condition was somewhat improved. Mr. Tharp is under the doctor's care at Hotel Barre and several days may elapse before he is out of danger and able to return home. Mr. Tharp has been on sick leave from his duties in the New York postoffice for two weeks, but thought that he was sufficiently strong to make the trip to Barre, where he was due to make a speech at the banquet of the state letter carriers and postoffice clerks last evening. Late in the afternoon he had to leave the business meeting of the letter carriers and soon afterward a physician was called to his room in the hotel. Throughout the night he had a high fever, but to-day there was a change for the better in his condition.

There is much talk in Barre of recruiting an ambulance unit in Barre for service in the regular army and a number of persons who have interested themselves in the project have procured from the government some of the data used where units have been formed. Thus far all plans have not gone beyond the formal state, but it is possible that a meeting will be called in the near future for expressions of opinion. It is stated that 60 men are required to outfit themselves, each at an expense of \$35. The sum of \$1,000 is required for equipment and while the unit is being formed and equipped its members serve without pay. Immediately after training begins, the unit enters the service of the United States and is at the disposal of the army authorities.

Amateur planters living on the French estate have adopted as their motto, "Farm or arm," and as most of them are married men for the present "doing their bit" for Uncle Sam will be confined to farming. Acres that have not been turned over since Barre first began to boom are feeling the prod of the hoe and pickers of liniment and lumbago lotion are thriving on the patronage of the neophyte farmers. By virtue of the initiative taken by him when he converted an area of land at the corner of Wellington and Sheridan streets, formerly used for a baseball field, into tillage ground, Peter Hamel is the titular president of the potato club, but other residents of that vicinity are utilizing every available square yard of land and are striving by intensive farming to raise bumper crops.

MONTPELIER

Thirty-One Prospective Recruits for Co. H Go to Fort.

Capt. D. E. McMath of Company H accompanied 31 recruits to Burlington this forenoon, where they were examined. Eleven Grotton young men arrived in Montpelier on the Green Mountain express and were accompanied by two from Marshfield, one from East Calais, one from Calais and at Waterbury two more joined the party. Fourteen Montpelier men also made the trip to Burlington, automobiles furnished by Montpelier citizens carrying the men to the fort. The large number of recruits from Grotton and other towns is the result of the expedition made into the country last Sunday by Capt. McMath and others.

Morris G. Dewey arrived in Montpelier this forenoon after a several weeks' trip through the West in the interests of the National Life Insurance Co.

In probate court Leon G. Ellis of Calais was appointed administrator of the estate of Ira Ellis, late of Calais. Thomas H. Cave, jr., was appointed administrator of the estate of Clementina Bianchi, late of Montpelier. Jacob W. Bates of Moretown was appointed administrator of the estate of May S. Ward, late of Moretown. Mrs. Elizabeth Goodwin of Barre City was appointed administratrix of the estate of James J. Goodwin, late of Barre City.

Three hits, one a double by C. Smith, and five wild throws by the seminary infield gave Montpelier high school four runs in the fifth inning of yesterday's game at Intercity park between the rival Montpelier teams and allowed the high school to win, 8 to 5. Holway pitched his usual fine game, only six hits and one earned run being made while he pitched for five innings. Granai relieved him in the sixth inning with two men on and one out and struck out two men. The latter baffled the high school hitters with his speed and struck out nine men in three and two-thirds innings.

Sawyer was touched up for 13 safe bingles, six being made in the sixth and seventh innings but two fast double plays which he started himself with the bases all occupied kept the seminary from scoring but a solitary run.

Kelley scored the first run for high school in the first inning when he reached second on a throw 10 feet over Hatch's head. Tudhope making the hard peg, Gross knocked a long single to right field, Kelly jogging home. Clark led off with a double in the second, was sacrificed to third and scored on Steele's infield hit to Hatch.

Seminary tied the score in their half, Granai and Plaistrige walking, advancing on steals and scored on singles by Church and Arkley. Each team scored in the third, high school on a walk and two errors and the seminary on a double by Hatch, an error by Gross and an infield out.

In the fifth C. Smith poled a fly to left on which he made two bases. Kelly singled, Plaistrige getting the ball and throwing it to the bleachers when he tried to catch Smith at the plate. Gross reached first on Plaistrige's error, Kelly taking third. Sheridan and Clark grounded out but Lamperti singled, scoring Kelly and Gross and scored himself when Hatch threw the ball a mile over Tudhope's head. Steele reached first on an error by Tudhope but Sawyer flied to Hatch.

High school scored off Granai in the seventh on a hit by Clark and two steals and an error by Arkley.

The seminary scored in the ninth on an error and steal and Plaistrige's single.

Granai made a spectacular play when he caught a liner with his bare hand and Clark made several wonderful catches in center field. He had four put outs and two assists, figuring in a double play once again robbed Church of a single but getting the ball to second to shut off a runner.

Score by innings: High school 111040100—8 73 Seminary 021001001—5139

Batteries—Sawyer and Kelly; Holway, Granai and Arkley.
